## PREFACE

The Architecture Colleges Management Association [ACMA] represents 25 Architecture Colleges in Kerala. These colleges have come into existence as per the approval of Council of Architecture. The aim of ACMA is to pave path for the aspiring students to obtain admission to B Arch course in their home state, purely on the basis of merit.

Till 2018-19 ACMA had signed agreement with the government sharing the seats. In the academic year 2019-20 we wish to execute the agreement with government. We are waiting for the same.

The colleges will start the classes by August 1st 2018. Before the same, the admission will be completed. The admission will be made as per this prospectus.

ACMA would like to make it clear on behalf of our member colleges that, Mobile phone is totally banned in the colleges and Hostels. Any student found violating this will be removed from the hostel /college. So only such students willing to follow the norms of the college shall take admission in the member colleges.

The responsibility of ACMA is restricted to the submission of this prospectus to the Admission Supervisory Committee (ASC). The conditions of this prospectus on approval from ASC will be incorporated by the members in their individual college's prospectus.

## I. INTRODUCTION

- i. The Architecture Colleges Management Association [ ACMA] has decided to conduct a separate selection procedure for admission to the B. Arch Course in the member colleges except for NRI seats and seats that may be set apart for allotment by the state (In Case of Agreement with Government).
- ii. The self-financing colleges listed in this prospectus conduct 5 years degree course in Architecture (B. Arch) as per the syllabus of the different Universities in Kerala to which the college is affiliated.
- iii. This prospectus is subject to modification, addition or deletion as may be deemed necessary by the Association and subject to the Judgments of Honourable Courts of law.
- iv. The prospectus contains the rules and regulations applicable to the seats to be filled by the Managements of the Self-Financing Architecture Colleges to the B. Arch Course for the year 2019-2020 for the colleges whose names are mentioned in the list.
- v. The fee structure shown in the prospectus is as per the agreement with the government for academic year 2018-19. This is subject to change.
- vi. Each college will have its own policies of reservation if any.

## II. COLLEGES AND NUMBER OF SEATS

- i. The Details of member of colleges to which application is called for by this prospectus are given in the Annexure - I
- ii. The maximum number of seats in each college is as per the sanction obtained by each college from the Council of Architecture / Universities.
- iii. The Government and the respective managements are in the process of negotiation for seat sharing. The understanding till 2018-19 is that the managements may permit the government to fill up 50% of seats. Hence this prospectus is for taking of the balance 50% seats in B. Arch Course filled by the concerned managements. In case no agreement is arrived at, the member colleges will fill up the entire seats. In this case the fee fixed for Management Quota will be applicable for the entire seats. Seats that may remain unfilled by the Government also will be filled by the colleges concerned and here too the fee for Management seats will be applicable.

### ***Short write up of the Institution:***

Two batches of students have completed their B.Arch degree programme from IES College of Architecture. By this time it has become one of the top level institutions in the country. One of the thesis project submitted for the national level competition conducted by the Council of Architecture was selected as one of the best ten thesis projects from institutions in this zone. Though it is a stand-alone architecture college it has the advantage of sharing of the Engineering college, Public school etc. existing in the campus. The institution has dedicated faculty with necessary experience and qualification required for teaching architecture. Proximity to Thrissur corporation urban area is also an advantage. The institution is managed by Ideal Educational Society which has educational track record of 25 years in India and over 40 years internationally. The holistic approach to architecture and its application in the physical and cultural context is the guiding philosophy of the institution.

Established in the year 2013 as the College of Architecture, is one of the vital centers of thought and education in the field of Architecture in Kerala. The Undergraduate Program in KMCT college of Architecture, Manassery provides both a deep and broad education in the field of architecture affiliated to Calicut University, approved by COA (Council Of Architecture) New Delhi. Situated in KMCT's rich and intense educational environment, the program emphasizes the interconnected relationship between architectural design, building technology, computation, history, theory and criticism of architecture and art. The program is commitment to the cultural, social, political, technological and ecological issues of the built environment. The range of studios, lectures, workshops and seminars provides an active learning environment in which individual creativity and criticality can be nurtured. A growing range of alternative practices, projects and forms of critical engagement offer students an unrivalled setting for the formation of young careers, agendas and future ambitions. Students are encouraged to pursue their own individual paths through the range of possible units and projects they are exposed to, defining for themselves the basis for their future architectural development, interests and goals.
